WORK EXPERIENCE

Freelancer (Self-employed)
Karachi, Pakistan
2022 - Present

As a freelance graphic designer and video editor, I have collaborated with several clients in Pakistan, primarily through Facebook. My work includes:

- *Video Editing: Created promotional videos, social media content, and product animation videos, with a strong focus on storytelling and branding. Graphic Design: Designed logos,*
- *banners, thumbnails, and social media posts for clients across various industries, ensuring visually compelling and engaging content. Branding: Developed full branding packages for startups, including logo design, color schemes, business cards,*
- *and marketing materials. Software Used: Adobe Photoshop, Illustrator, After Effects, Premiere Pro, Blender, Canva.*

EDUCATION

First Year in Computer Science
Pak Askari College, Karachi
2024-Present
Governor House of Sindh IT University, Karachi
